Bernese Mountain Dog Club of the Greater Twin Cities

The BMDCGTC was formed in 1988 to help promote the best possible breeding, training, health, and well-being of the purebred Bernese Mountain Dog.

President's Letter

-Micky Trent (Merlin, Cammie & Viva)

As the first newsletter of the new year in a time that is an economic challenge for many, I find myself reflecting on how much we have to be grateful for, and how fleeting those blessings can be.

We have been busy as a club since our last newsletter. We had a wonderful Winterfest in December, once again hosted by Coleen Carroll and Rick Bryan. New Board members and officers were elected. Welcome to Laura Fourre, Sarah Reischel, and our new vice-president, Jennifer Krohn! We were well represented in the conformation ring at the Land 'O Lakes show in January. We also completed our final B match at the Land 'O Lakes show and are now eligible to apply for A matches and take the next step toward AKC accreditation. Our first meeting of 2011 at Stone Mountain Pet Lodge in February combined PlayPals, an introduction to Berner-Garde, a dessert auction, and an awards ceremony. Special thanks to Marilyn Blake for putting Playpals on a regular monthly schedule and bringing in short topics of interest with each PlayPals.

Our club was once again well represented at the Southeast Wisconsin back to back show in early March. However, this show was tinged by great sadness. Sheila Brandner, one of our own club members, fell ill at the show and was hospitalized with a bleeding cerebral aneurysm. She passed away last week. I knew Sheila as a warm, compassionate person who was dedicated to her family, to her dogs, and to the improvement of the breed. She will be sorely missed. As I reflect on how unpredictable life can be, I am reminded not to take things for granted. Focus on things that matter, love your family, and hug your dogs whenever you can.

Lucy Fund Wine Tasting and Silent Auction by Lisa Fosdick and Coleen Carroll

Lucy – a beloved BMD who died after a long, brave battle with cancer.

The Fund – a wonderful idea brought to fruition by Lucy's owners Shelley Strohm and Steve Boda

The Goal - a simple, yet effectual form of support for Bernese Mountain Dog Club members who find themselves facing catastrophic medical expenses for their dogs and need financial assistance.

Annual Wine Tasting and Silent Auction - the major way we raise funds.

Each year during the early winter doldrums between the holidays and escapes to warmer climates, a dedicated group of BMD owners come together to share an evening of wine, food and fundraising to support the Lucy Fund. Shelley summed it up best when she stated that many ideas like this get started but few have the support and dedication to keep them going year after year.

This January, 40 people came together to enjoy wines from Oregon and Washington State while sharing stories about dogs and bidding on some truly amazing auction items – thank you Alice and Craig Barry for your auction expertise and for your commitment to keep this going – you have been involved every single year in making this event a success! Big thank yous are also due to Sarah and Jim Tennesen for donating a weekend getaway in their lovely cabin (the perfect Valentines day gift), to Micky Trent for donating several behind the scenes tours of Como Zoo (there was lively bidding over this item!), to Tanya and Michael Altimari for donating two fabulous dinners for eight in their home (if you have never been lucky enough to go on one of these you will want to start saving up now for next years auction). Many others donated generously to the auction as well and there was plenty of action during the silent auction and some serious bidding wars during the live auction as well.

The commitment and generosity of our attendees year after year who donate items and then bid for twice as many items in the spirit of helping raise money for the Fund is amazing. And it wouldn't happen without all the bidders. This year we even had bidders in absentia who had sent their top amounts along with proxy bidders who were at the event. And beyond the auction there was the support from many who donated food and sponsored the wines prior to the event. This allows us to put all money raised during the evening directly into the Lucy Fund without having to deduct anything for the expenses of putting on the event.

The event raised well over \$3,000 for the Fund thanks to the generosity of those in attendance. Donations from individuals are also accepted throughout the year. If you would like to donate to the fund and help ensure it will be there for those who need it, you can donate any dollar amount in the form of a personal check and mail it to: The Lucy Fund, c/o Denise McCabe, 16315 Temple Terrace, Minnetonka, MN 55345 To apply for funds, current members of the Bernese Mountain Dog Club of the Greater Twin Cities can download an application online at <http://www.twincitiesbmd.org/lucy.html>.

Rescue would like to acknowledge a donation of \$50 from Diane Morehouse in memory of Snowbound's Aurora Borealis and Snowbound's Buttercup Baby. Any donations to rescue go to the care and vetting of dogs taken into rescue and rehome. Thank you Diane!

PLAYPALS UPDATE!

By Marilynn Blake and Julie Latterell

With the New Year, has come a new PlayPals format! We announced the new format in a previous newsletter, but wanted to tell you more about it after we've had a few months of 2011 under our belt!

The new format combines both fun off-leash "socializing" opportunities for dogs and their humans—while incorporating some educational components too. In addition, PlayPals has moved to a monthly event, held the second weekend of each month.

Here are the terrific PlaysPals events we've had thus far in 2011 and a sneak peek at what else is coming up in the next few months!

A Look Back...

January brought us a terrific "urban" PlayPals gathering at the Arlington/Arkwright off-leash dog park in St. Paul, along with an opportunity to learn more about Pack Hiking—a great recreational activity for you and your Berner—plus an opportunity to learn about how to get a Pack Title! Thanks to Marilynn and her friend Julie from the local Greater Swiss Mountain Dog club for putting together such an informative day and introducing people to this fun event!

February included a joint PlayPals/Club Banquet and discussion and demonstration about the importance of Berner-Garde—and how you might use it when researching who you're going to get your next puppy from ☺. Julie and Marilynn working together, brought together helpful tips on getting started with using Berner-Garde if you're unfamiliar it—combined with an example with a real live "litter" of puppies (ok, they were stuffed bears!) that demonstrated why it's so important for EVERYONE to enter information on their own dogs into Berner-Garde.

March gave us wonderful weather to be at the Burnsville Off-Leash Dog Park as we helped Chester to celebrate his 8th birthday on that very day. There was a brief discussion on how some of us have found our dog trainers and the handout was on fun things to do with our dogs that make use of their obedience training skills.

A Look Ahead...

Saturday, April 9, 10:00 a.m. – Fridley Off-Leash Dog Park – Topic: 10 Questions to Ask a Breeder and 10 Questions a Breeder Will ask YOU!

Sunday, May 15, 9:30 a.m. – Annual walk around Lake Como – check website for updates

Sunday, June 12 – MSP Airport Dog Park – check website for updates

We hope to see you and your Berner at an upcoming PlayPals event! It's a great place to let your dog get some exercise and to meet new friends!!!

BMDCSEW
Tracking Certification Day with Mini-Seminars
Sunday April 17, 2011
9:00 am - 4:00 pm

Join us at Hartman Creek State Park in Waupaca for a full day of Tracking Certifications with AKC Judge Lois Ballard.

A limited number of Certification tracks are available on a first come first serve basis.

This event is open to BMDCSEW members only through February 28. Any available tracks after 2/28 will be open to non-members.

Mini Beginner-Seminars (open to all breeds)

Morning Seminar with Annie Evarts, AKC Judge applicant – New to tracking? This 2-hour workshop is for you! Never tracked? No equipment is needed. Learn how to start your dog and train on your own to compete in the AKC tracking events. Morning seminar attendees are encouraged to watch the afternoon certification tracks. Lunch is included.

Afternoon Seminar with Lois Ballard. Looking to continue on in VST training? Lois will offer a couple practice tracks and host a question and answer period for people interested in adding Urban work to their training.

Cost \$10 includes lunch. (after April 1 \$20/person)

Enjoy the full day or just join us for one of the seminars.

Please note this event is held inside a state park. – State park sticker is required. Event is held rain or shine. We have rented a heated shelter in event of inclement weather (no dogs allowed inside the shelter per state park rules)

This event is outdoors at a State Park. The brush can be high and prickly footing can be muddy. We recommend long pants and boots. We also recommend your dog be current on whatever tick protocol you use as this is tick season.
